Reference Letter for Mr. Mian Muhammad Athar

This is to certify that Mr. Mian Muhammad Athar has successfully completed his 4 months internship with u-blox Lahore. Mr. Muhammad Ather was offered internship position on 04 December 2018 which ended on 29 March 2019.

During this tenure he has worked with us on the following.

- Hands-on experience on field trials using u-blox proprietary cellular modules.
- Gained scripting knowledge using python.
- Developed scripts to predict different behaviors of cellular modules.
- Gained good understanding of I/O interfaces, interaction with modules using serial and Ethernet interfaces.
- Has learned a lot about AT commands, their behavior and different scenarios of cellular products.
- Has worked on IOT modules ESP8266 and Arduino Yún
- Has worked with Raspberry Pi 2/3B+ in Python and shell scripts

Should you have additional questions regarding the internship of Mr. Athar, and would like to know more about any matters, then please contact me directly at any time at: sameer.razaq@u-blox.com and I shall look forward to provide you further feedback.

Sincerely,

Sameer Razaq

Manager, Human Resources
u-blox Lahore Pvt Ltd.
